

It is desired that this information be prepared with accuracy and detail, so far as the packers' records can by reasonable effort be made to furnish it. Different streams in the same bay or sound should be separately reported so far as the catch can properly be credited to each. Catches not certainly referable to particular streams may be reported under the head of the bay, sound, or region.

11—5359

How prepared.	Coho or silver.	Chum or keta.	Humpback or pink.	King or spring.	Red or sockeye.	Dolly Varden or salmon trout.	Steelhead.	Total.
